

FOIA Request No. EPA-R2-2014-002067

Regarding air permitting information for Campbell Supply Co./Campbell Soup Co. at 1 Campbell Place, Camden, NJ

Our air programs office has 3 inches of old title V document files. The information is between 10 to 14 years old, and some of it is in radius format. It is the understanding of our air programs office that this facility shut down years ago. The New Jersey Department of Environmental Protection's website lists the status of this facility as terminated.

The on-line NJDEP's air permitting website is

[http://datamine2.state.nj.us/DEP\\_OPRA/OpraMain/categories?category=Air+Quality+Permitting+and+Reporting](http://datamine2.state.nj.us/DEP_OPRA/OpraMain/categories?category=Air+Quality+Permitting+and+Reporting).

If you need to see the air permitting information mentioned above, please contact Mr. David Abrines at (212) 637-3043. Or, you can send an email to [Abrines.david@epa.gov](mailto:Abrines.david@epa.gov).

Regarding the RCRA files for Campbell Soup Co. at 1 Campbell Place, Camden, NJ, we have one map from the Final Draft Preliminary Assessment Report dated March 6, 1989 that we did not copy. The map is from Reference No. 6 of the report. It is from NUS Corporation and it is a map of the Three Mile Vicinity dated 01/16/89. If you need a copy of this map, please contact Mr. Abrines at the above telephone number.
